Ready Set Connect

Service Level Agreement (SLA) • Health IT, US

Version: 1.0
Effective: 17 August 2026

Made by Zahid Ali • Head of Operations & Growth

1. Purpose

This SLA defines response and resolution commitments for US-based providers using Ready Set Connect. It ensures sales leadership can set accurate expectations with clients while protecting engineering from unreasonable demands.

2. Scope

Applies to all production issues reported by US clients during **US business hours (9:00 AM – 9:00 PM EST)**. Issues reported outside these hours will be triaged the next business day unless designated **P0 – Critical**.

3. Priority Matrix

Priority	Definition	Response Time	Resolution Time
P0 – Critical	System down, payment failures, or clients unable to access accounts affecting >10 users	**15 min**	**< 2 hours**
P1 – High	Major feature broken (e.g., profile config not saving), workaround available	**30 min**	**< 4 hours**
P2 – Medium	Non-urgent bug, cosmetic issues, one-off client complaint	**2 hours**	**< 24 hours**
P3 – Low	Feature requests, enhancements, non-blocking feedback	**4 hours**	**Next sprint**

4. Communication Protocol

1. **Client** reports issue to Sales/CS — *Sales Team*
2. **Sales** logs issue in shared Slack group within **15 min** with:
    - 3. Client name
    - 4. Screenshot / description
    - 5. Priority (P0–P3)

    — *Sales Team*
6. **Tech** acknowledges within Response Time (see above) with:
   "Acknowledged – investigating" — *Tech Team*
7. **Tech** provides interim update every **30 min** for P0/P1 until resolved — *Tech Team*
8. **Tech** posts final resolution summary in the same thread — *Tech Team*
9. **Sales** closes loop with client within **1 hour** of resolution — *Sales Team*

5. Escalation Path

NO RESPONSE WITHIN SLA
Tech Lead (Rushil)
+5 min past SLA

NO RESOLUTION WITHIN SLA
CEO-Product Owner(Harsha)
At SLA limit

CLIENT THREATENS CHURN
Head of Operations (Zahid)
Immediate

6. Exceptions

- **Third-party outages** (AWS, Stripe, etc.) — SLA paused until provider resolves.
- **Client-induced errors** (e.g., incorrect data entry) — SLA changes to "Best effort" with coaching provided.

7. Reporting & Review

- **Weekly:** SLA adherence report (% of tickets meeting response/resolution times)
- **Monthly:** Top 5 recurring issues reviewed in sprint planning
- **Quarterly:** SLA reviewed and adjusted based on team capacity and user growth

> **Team note:** *"Here's a draft SLA template I put together based on our 1st meeting. Feel free to adjust response/resolution times or priorities based on what the tech team can realistically commit to. Goal is to have this signed off by Friday so we can roll out Monday."*
