# Growth Plan: [Client] x [Consulting Partner]

## Pricing and Revenue Split

[Client] Pricing (EMR + PM): **$59 per month**

RCM Split: **60% [Consulting Partner], 40% [Client]**

**Why not 50/50?** [Consulting Partner] handles 100% of operations including recruitment, training, payroll, laptops, software, quality control, denials management, and client support. [Client] provides the platform, brand, and infrastructure. The 60/40 split reflects the operational burden [Consulting Partner] carries and ensures the team can be sustained and quality delivered at scale.

## Scaling Roadmap

| Phase | What [Consulting Partner] Delivers | How It Benefits [Client] |
|---|---|---|
| Phase 1 (Now) | Sales team plus basic billing support | Immediate lead conversion and revenue generation |
| Phase 2 (Q4 2026) | Full RCM operations plus scaling team | Upsell billing to existing EMR clients for retention |
| Phase 3 (Q1 2027) | Dedicated sales and billing team of 8 to 10 professionals | Complete revenue cycle under one roof for platform stickiness |
| Phase 4 (Q2 2027+) | Full scale operations, 15+ team members | Full RCM for all clients for increased ARPU and loyalty |

## Why This Partnership Wins

| Factor | How It Is Solved |
|---|---|
| US Team Cost | US team would cost $400K to $540K per year. [Consulting Partner] delivers the same at $57K to $84K per year, saving about 85%. |
| Scaling | Can scale from 4 to 15+ team members within 9 months without HR headaches or US payroll overhead. |
| Revenue Growth | Combined software and RCM revenue projected to reach $62K to $86K by Q2 2027, growing quarter over quarter. |
| Client Retention | Bundled EMR and RCM increases switching costs, so clients stay longer and pay more. |
| Client Focus | Client focuses on product and strategy. [Consulting Partner] handles sales, billing, and operations. |

## Cumulative Totals

| Period | Total New Users | Total Revenue (Combined) |
|---|---|---|
| By End of Q4 2026 | 60 to 80 | $17,820 to $25,530 |
| By End of Q1 2027 | 120 to 160 | $53,460 to $76,590 |
| By End of Q2 2027 | 210 to 280 | $115,830 to $163,290 |

## Key Assumptions

| Factor | Assumption |
|---|---|
| Lead Quality | Cold calling will improve lead quality over time |
| Free Trial Cycle | Sales typically close after the 30 day trial period |
| Billing Upsell | Additional revenue from existing cash based clients |

| | |
|---|---|
| Team Capacity | Team fully dedicated to this engagement |
| Software Pricing | Average user selects EMR + PM at $59 per month |
| RCM Rate | Estimated at 4% of total client collections |
| RCM Split | 60% [Consulting Partner], 40% [Client] |
| US vs. Pakistan | Pakistan cost is approximately 85% lower than US equivalent |

> **Note:** These projections are realistic and based on current capacity and lead quality. Actual results are subject to provider interest and engagement. The quality of leads and their readiness to adopt the platform will ultimately determine conversion rates.
